As per G.O.Ms.No.1873 Health dated 9-6-1952, the Government sanctioned the absorption into Government service of the persons who were employed in the Local Fund Hospital, Karkal taken over by Government against the sanctioned posts with effect from 1st June 1951, the date on which the institution was taken over by Government. One Putta Sheregara, Male Nursing orderly(inferior)servant of L.F.Hospital, Karkal since provincialised after his retirement from Government service on the forenoon of 1-7-1954, has applied for the payment of gratuity for the period he was not given the benefits of Bonus Fund, under the District Board. It is seen from the G.O.referred to above no conditions of transfer of service of the individuals from the District Board to the Government have been laid down at the time of transfer.

I therefore request that the Government may be pleased to inform me the conditions of transfer of service of the persons of L.F.Hospital, Karkal absorbed in Government service and whether the individual referred to above has to be paid gratuity from the Dt.Board funds for the period of his service under the Board.

In reply to your memorandums cited I wish to inform you that Sri Janardhana and Sri Putta Sheregara, Nursing Orderlies, absorbed in Government service are classified as inferior. Out of these, Sri Putta Sheregara has already retired from service. Sri Janardhana Nursing Orderly working at Government Hospital, Karkal, at present when questioned about his willingness or otherwise to join the General Provident fund has expressed his willingness to join the General Provident Fund. As he is due to retire from service on 1-8-1956 forenoon on superannuation, I do not recommend his admission to the General Provident Fund. Hence I recommend that the balance at the credit of the Bonus fund account of Sri Putta Sheregara may be paid to him since he has retired from service and that of Sri janardhana may be ordered to be either paid to him now if he so desires or retained with the District Board, South Kanara or with the State Government as considered necessary for

(p.t.o)

payment to him on his retirement on 1--8-1956. forenoon.

2.As regards the payment of Gratuity for the service rendered under the District Board to the individuals absorbed in Government service on provincialisation of this hospital, I recommend the payment of gratuity to them as the District Board South Kanara is not giving any contributions to Government in respect of the individuals for their service under the District Board.
